

A visit from Souffle

On Wednesday afternoon, I visited St. Mary's. I was scared at first as I had never been to this school before. Year 5 have sponsored 2 donkeys - my friends Toby and Coco. We live at the donkey sanctuary in Abbey Hey. Donkeys are very patient animals and love meeting new people especially children. Many children wanted to stroke me. I loved their little tickles. There were lots of good questions and I was pleased that my carers were around to help me with the answers. The time quickly passed and I was sad to leave but I wanted to get back to tell all my friends about the school. Sorry about my little accident but I was standing for over an hour.

The centre provides donkey assisted therapy to local children with additional needs. If you know someone who would benefit then call them on 0161 301 4051. There are lots of events for adults, children and families. These are free but a donation is welcomed.

Centre events in during Easter Holidays

- Manchester Ride Day 08/04/2014 - 10:00am
Places available
- Manchester Ride Day 09/04/2014 - 10:00am
Places available

10:30am Places available
- Manchester 10th Anniversary Ball 11/04/2014 -
7:00pm Places available
- Manchester Ride Day 14/04/2014 - 10:00am

How to get there

The centre is situated at the bottom of Green Fold, off Abbey Hey Lane at the northern entrance to Debdale Park. On Capital Road, follow signs for Wright Robinson Sports College. After passing Wright Robinson on your left, continue round the corner and you are then looking for a left hand turn onto Green Fold, with a bakers on the corner called 'Sweet Hole Ltd'. The centre is straight ahead over the bridge and to the right.

Goodbye St. Mary's . Thank you
for your donation. Hope to see
you again soon from Soufflé
