

The staff team look forward to this day every year! The children cheer on their teachers and teaching assistants as they try their best.

Staff Sports 2013

Who did you cheer for?

First race is the egg and spoon. Did any one hold onto the egg?

The 3 legged race. Choice of partner and team work is crucial.

Staff cannot find a malteser in the syrup and the porridge oats!

Just look at their messy faces.

Obstacle race

Finally, catch the water bomb. Thank goodness it was a hot day as there were lots of missed catches.
