Thoughts from your Head

School finished for half term on
Thursday 26th October and re-
turns on Monday 6th November

I would like to welcome every-
one back after the summer hol-
idays and to welcome all the
new children, Miss Mainprize
(Year 4) Miss Hopwood and
Mrs. Greenwood (dinner time
assisitants) joining our school. I
am thoroughly looking forward
to working in partnership with
all of you this year. Well done to
all. The children have returned
with an enormously positive atti-
tude and are obviously ready to
settle down and work hard. It is
lovely to see that the Foundation
children have settled into the routine
of a new school so quickly and are al-
ready looking happy
and confident.

It was lovely to see you and
find out what you did in the
summer holidays at the BBQ
and choc fountain evening in
September. (See photos over-
leaf). It was a lovely evening
despite the weather. Thank you
to One Adventure for the loan
of the gazebos. We raised
£350 which will buy the Christ-
mas presents for the children.
Thank you .

September sees the changing
of the seasons from Summer
into Autumn. The trees are
changing colour, the days are
getting shorter and we some-
times begin to feel a bit down
hearted but we need to remem-
ber that this is a continual cy-
cle. If you think of a tiny acorn
which falls from the tree,
moves away and ger-
minates and eventu-
ally grows into anothe-
r huge oak tree. It
is just like our lives. As children
we grow up, start new schools,
move on to live in new towns,
meet new people and start fam-
ilies of their
own. The cycle
begins again.
But we need to
remember that
this is all planned out for us by
God.

Reference to this is in this
quote "There's power in the
acorn and there's power in me.
Just like the tiny acorn that
grows to be a tree, whose
branches reach to heaven for
all the world to see, when I

Our harvest festival is Wednes-
day 11th October in church at
9:10am. Do hope you can join us.

This year the school council have
decided to support Reuben's Re-

treat. They are coming to speak
to the children on Monday 9th
October about the work they do
